Morning flights from UK arrive Rhodes by 15:30 giving a reasonable chance of catching a ferry around 17:30 to Symi

Afternoon flights from UK arrive Rhodes by 22:00 giving a reasonable chance of getting a full nights sleep in a Rhodes hotel and catching a morning ferry to Symi

Evening flights from the UK arrive Rhodes in the early hours of the following morning leaving you with a few hours to kill before catching a morning ferry to Symi

Later morning flights arrive Rhodes about 16:00 which gives some chance of a 17:30 ferry if flight is punctual and baggage arrives quickly. Risky.

Always check flight details with the airline as they may change at very short notice
